United Nations ST/IC/2013/22

Secretariat

29 July 2013

Information circular*

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **Designation of duty stations for purposes of rest and recuperation**

1. In accordance with ST/AI/2011/7/Amend.2, on rest and recuperation, and following inter-agency consultations, the Office of Human Resources Management approves the United Nations Secretariat duty stations that qualify for rest and recuperation, the frequencies and the designation of rest and recuperation destinations. The annex to the present circular lists the duty stations approved for rest and recuperation purposes effective as from 1 July 2013.

2. In duty stations where the rest and recuperation frequency has been reduced, the new cycle takes effect immediately. In duty stations where the rest and recuperation frequency has been prolonged (6 to 8 or 8 to 12) or discontinued, staff members or eligible individuals who have already started accruing qualifying service prior to 1 July 2013 may avail themselves of rest and recuperation after completing the period of qualifying service previously in effect. Upon the return by the staff member or other eligible individual to the duty station, the new rest and recuperation frequency shall apply.

3. Should security or severe hardship conditions improve or deteriorate at specific duty stations during the course of the year, the duration of the period of qualifying service (frequency) may be adjusted by the Office of Human Resources Management following inter-agency consultations. Similarly, significant changes in a duty station environment may result in the approval or discontinuation of rest and recuperation.

* Expiration date of the present information circular: 31 December 2013.

United Nations ST/IC/2013/23

Secretariat

30 July 2013

Information circular*

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **Classification of duty stations and special entitlements for staff members serving at designated duty stations**

1. The purpose of the present information circular is to inform the staff of the classification of duty stations established by the International Civil Service Commission (ICSC) according to conditions of life and work and of the revised lists of duty stations designated by ICSC where special entitlements apply for eligible staff, as explained in paragraphs 6 to 10 below. The revised lists are set out in annexes II and III to the present circular. The revisions are effective from 1 July 2013.

I. Classification of duty stations

2. All duty stations are placed by ICSC in one of six categories: H and A to E. The H category comprises headquarters duty stations and other duty stations in similar locations where the United Nations has no developmental or humanitarian programmes. The A to E categories comprise all other duty stations classified by order of difficulty of conditions of life and work. Annex I to the present circular contains the list of duty stations classified in the H category. Annex II contains the list of duty stations classified in the A to E categories.

Mobility and hardship allowance

3. The category of the duty station where a staff member is serving and/or has served is one of the factors that determine whether the staff member is eligible for each of the three elements of the mobility and hardship allowance, namely, the mobility, the hardship and the non-removal elements. It is also a factor in determining the amount of the allowance. The relevant provisions on the matter are set out in staff rules 3.13 and 3.14 and in the administrative instruction on the mobility and hardship scheme, ST/AI/2011/6 and ST/AI/2011/6/Amend.1.

* The present circular will be in effect until further notice.

Removal costs

4. The category of the duty station is a factor in determining eligibility for removal costs under staff rule 7.16. Such costs are normally payable in the case of service at H duty stations when the appointment is for two years or more or the assignment to a new duty station is expected to be for two years or more. In those cases where removal costs are not payable, the staff member may be eligible for the non-removal element of the mobility and hardship allowance.

Special entitlements at designated duty stations

5. The classification of duty stations in the A to E categories is linked to the special entitlements that are set out in the administrative instruction on special entitlements for staff members serving at designated duty stations.

II. Duty stations at which special entitlements may apply for eligible staff

6. At duty stations classified in the A to E categories, which are listed in annex II to the present circular, one or more of the special entitlements set out in the administrative instruction on special entitlements for staff members serving at designated duty stations may apply, as indicated in paragraphs 7 to 9 below. The granting of these entitlements is subject to the conditions established in the applicable staff regulations and rules and the above-mentioned administrative instruction.

7. The category of each of the duty stations listed in annex II is indicated in the first column of the annex. At duty stations classified in the C, D and E categories, eligible staff are entitled to:

(a) Accelerated home leave travel, that is, home leave travel once every 12 months;

(b) Special terms for the exercise of the unaccompanied shipment entitlement of 50 kilograms or 0.31 cubic metres for travel on home leave, family visit or education grant so that the unused portion of the entitlement for one leg of the travel may be used to supplement the normal entitlement for the other leg of the travel.

8. The designated duty stations where eligible staff are entitled to additional education grant travel and an additional reimbursement for boarding costs under the education grant are indicated in the second column of annex II to the present circular.

9. The designated duty stations where eligible staff are entitled to additional shipment entitlements, namely, an annual shipment entitlement and a shipment on the birth or adoption of an infant, are indicated in the third column of annex II to the present circular.

10. A list of the countries having duty stations that qualify for reimbursement by organizations of the costs of basic medical examinations for accompanying eligible family members is shown in annex III to the present circular.

11. The present circular supersedes information circular ST/IC/2013/5.

Information circular*

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **Rental subsidies and deductions**

1. The purpose of the present circular is to inform staff members of the procedures required for the implementation of administrative instruction ST/AI/2013/2, entitled "Rental subsidies and deductions" ("the instruction"), when applying for a rental subsidy or when reporting on and certifying housing information for the purpose of rental deductions. Staff members should familiarize themselves thoroughly with the provisions of that instruction, which is available on the intranet (iSeek), where it can be accessed by clicking on "QuickLinks", "SGBs, AIs, ICs", "Administrative Instructions 2010- (ST/AI)". The circular also provides other information that staff members may find useful in exercising their entitlement to a rental subsidy or complying with their obligations concerning rental deductions. In addition, the circular clarifies the process of self-certification of claims by staff, the obligation of staff to retain supporting documentation for five years, new approaches to monitoring compliance with the provisions for rental subsidy, and the consequences of submitting unsubstantiated or falsified claims.

2. Annex I to the present circular lists the documents that are required when applying for rental subsidy and that must be retained for five years for monitoring purposes. Annex II lists the countries in Europe and North America where rental subsidies and deductions are governed by parts I, II and III of the instruction. Annexes III, IV and V contain application forms to be used in connection with rental subsidy or rental deductions. These application forms are also available on iSeek under the "forms" link on "QuickLinks".

Procedures for rental subsidy applications

3. (a) **First-time application for a rental subsidy:**

(i) **At duty stations in Europe and North America**. Staff members in the newcomer category, as defined in section 10.1 (a) of the instruction, should

submit their application for rental subsidy following the signing of a rental lease. The signing of a lease and subsequent application for rental subsidy must fall within the seven-year period of eligibility set out in section 11.1 (a) of the instruction. Staff members in the force majeure category, as defined in section 10.1 (b) of the instruction, should submit their application after signing a new lease following a force majeure move. Staff members under either category should submit their applications no later than three months after the beginning of the lease;

(ii) **At duty stations outside Europe and North America**. Staff members should submit their application for a rental subsidy no later than three months after the beginning of the lease. Staff members in posts that are subject to international recruitment, including staff members who are recruited locally at duty stations outside Europe and North America for posts in the Professional and higher category, are entitled to apply for and receive a rental subsidy subject to meeting the terms and conditions of part I, II and IV of the instruction;

(b) **Duration of the payment period:**

(i) As defined in section 3.1 and described in section 5.1 of the instruction, the application and the payment of the subsidy will be for the duration of the lease agreement (not to exceed the maximum period, in Europe and North America, described in section 11 of the instruction). Provided that the lease remains valid, the terms of the lease agreement remain unchanged and the factors reflected under paragraph 5 below remain unchanged, the staff member does not need to reapply for rental subsidy. However, a staff member must reapply each time the lease is renewed;

(ii) If there is any change in the terms of the lease agreement or if there is any change in the factors reflected under section 5.1 of the instruction, the staff member must, without exception, reapply for rental subsidy within 30 calendar days of the change. Staff members are required to immediately inform the office responsible for processing rental subsidy and deductions at their respective duty stations if a lease agreement is terminated prior to the expiry date indicated in the lease agreement;

(c) **Application forms:**

(i) For staff members at duty stations in Europe and North America:

- Form P.297, entitled "Rental subsidy application form (long form)/Rental deduction information form". This form, reproduced in annex III, is to be used for application as a newcomer, in force majeure cases, and when there has been a change in dwelling;

- Form P.297/A, entitled "Rental subsidy application form (short form)/Rental deduction information form". This form, reproduced in annex IV, is to be used for reapplication or revised application to report changes in rent for the same dwelling or changes in family size;

(ii) For staff members at duty stations outside Europe and North America:

– Form P.297/B, entitled "Rental information form for the purpose of rental subsidy or rental deduction". This form, reproduced in annex V, is to be used for all applications and to report any changes in dwelling, rent or family size;

(d) **Subsidy request in respect of an agent's fee**. This one-time request under section 3.6 of the instruction should be included as part of the application or reapplication for a rental subsidy to which the payment of such fee relates.

4. In submitting their application, staff members should bear in mind the provisions of staff rule 3.17 on retroactivity of payments, and are urged to ensure the prompt submission of rental subsidy applications.

5. **Requirement to submit a revised application:**

(a) As described in section 5.1 of the instruction, the staff member in receipt of rental subsidy is required to submit a revised application as soon as any of the following changes has occurred, and no later than 30 days after the change has occurred:

(i) Change in dwelling, which includes vacating the dwelling for which rental subsidy has been claimed;

(ii) Change in the rent, as well as in rebates and gratuities, for the same dwelling;

(iii) Changes in family size;

(b) Changes in rent include, but are not limited to, any change in the rent-sharing arrangements with another person(s) that may exist for a given dwelling;

(c) Changes in family size include, but are not limited to, situations where eligible dependants begin or cease to live in the same dwelling for whatever reason, such as a situation where a dependent child is absent from the duty station for study purposes, as described in section 3.8 of the instruction;

(d) Any of the above changes may affect the amount of the subsidy. Using form P.297/B, it is the staff member's obligation to report the change no later than 30 calendar days from its occurrence and to certify the correctness of the information provided. The subsidy will then be recomputed and any change, if applicable, will be reflected in the payroll.

6. **Documentation requirements:**

(a) In compliance with section 3.3 of the instruction, and as specified in annex I, the documentation described below is to be retained in the original form by the staff member for a period of five years (or until the staff member is separated, if that occurs earlier). The documentation may be requested at any time for compliance monitoring purposes;

(b) **At all duty stations:**

(i) For all staff, the documentation to be submitted with a first-time application is the original signed lease agreement and an original receipt of either the first month's rent and the cancelled rent payment cheque or evidence of bank transfer. Requests for the one-time subsidy for payment of an agent's fee must be submitted together with the contract or agreement with the agent and a copy of a receipt for the fee or the cancelled cheque or evidence of bank

transfer for payment of the fee. The original documentation submitted by the staff member shall be returned to him/her after the rental subsidy claim has been processed. The staff member is required to retain such documentation for a period of five years in line with paragraph 6 (a) above;

(ii) For all subsequent requests for rental subsidy or revised applications for the same dwelling, submission should be undertaken in accordance with sections 5.3 and 5.4 of the instruction and paragraphs 7 and 12 below. In this respect, staff members may submit their application or revised application for rental subsidy or rental deduction in hard copy or a scanned copy, using the relevant form as indicated in paragraph 3 (c) above, to the applicable section or office (see para. 8 below);

(c) **Additional requirements at duty stations in Europe and North America:**

(i) When the staff member is responsible for paying electric bills separately from the rent, a copy of a recent electric bill should be submitted so that an amount for electricity will not be deducted from the rent amount for the purpose of the subsidy calculation in accordance with section 12.3 of the instruction;

(ii) Staff members applying under the force majeure category should submit appropriate documentary evidence attesting to the reason for the change in dwelling, a copy of the former lease and a recent receipt or cancelled cheque or evidence of a bank transfer relating to such lease. These documents as well as additional information may be requested from the staff member to determine his/her eligibility for force majeure rental subsidy; (d) The aforementioned documentation requirements are summarized in annex I to the present circular.

7. **Self-certification of rental subsidy claims by the staff member**. In accordance with paragraph 6 (b) above, applications or revised applications for rental subsidy will require a self-certification by the staff member as provided for in sections 5.3 and 5.4 of the instruction. The self-certification mechanism recognizes that the primary responsibility for certification rests with the staff member and not with the Organization. Specifically, through the self-certification mechanism, the staff member will be attesting to:

(a) The correctness of the information in the application form and any supporting documents;

(b) The understanding of the documentation requirements;

(c) The understanding of the obligation to retain the documentation for the period specified under section 3.3 of the instruction and paragraph 6 (a) above and to submit this documentation upon request for compliance monitoring purposes at any given time within a five-year period;

(d) The understanding of the obligation to inform the Organization, through a revised rental subsidy application, of any of the changes specified in section 5.1 of the instruction (change in dwelling, change in rent for the same dwelling, changes in family size);

(e) The understanding that the Organization may conduct a compliance monitoring of the staff member's claim(s) for rental subsidy at any given time (section 5.6 of the instruction);

(f) The understanding of the consequences of submitting incomplete, unsubstantiated or false information (section 5.7 of the instruction).

Submission of applications for rental subsidy

8. Applications for rental subsidy shall be submitted for processing and verification of the required information:

(a) At Headquarters, to the section in the Human Resources Service of the Office of Human Resources Management responsible for the staff member's department or office;

(b) At other duty stations, to the human resources or administrative office responsible for administering the staff member's entitlements.

9. If the request for a subsidy is approved, the staff member will be provided with a computation sheet explaining how the subsidy amount was calculated. If the staff member is not eligible to receive a subsidy, he or she will be so notified.

Monitoring of rental subsidy claims

10. According to sections 5.5 through 5.7 of the instruction, the Organization will conduct periodic compliance monitoring of staff members' claims for rental subsidy. This is done for the purpose of verifying the correctness of the data submitted in the application and ensuring the proper use of the benefit according to the terms and conditions described in the instruction, as well as for ensuring staff members' compliance with the relevant provisions for rental subsidy.

11. Pursuant to section 3.3 of the instruction, for the purposes of such monitoring, the staff member may be requested to submit the original required documentation related to the rental subsidy, including but not limited to lease agreements. Staff members are obligated to provide the requested documentation within 30 days from the time they are requested to do so. As part of the monitoring process, the Organization may review the requested documentation, contact the landlord and other concerned individuals and/or verify the information reflected in the application in any other relevant way.

12. Failure to present the required documentation upon request, failure to report changes in the rental subsidy situation (as a result of vacating the dwelling, change of dwelling, change of rent or changes in family size), falsification of any of the data, withholding of any relevant information or partial submission of documentation in the application may result in one or more of the following:

(a) Immediate termination of the rental subsidy;

(b) Recovery of prior subsidy payments;

Procedure for rental deductions

13. In accordance with section 8.4 of the instruction, staff members are, at the time of recruitment and at any time thereafter, required to report and certify, in form P.1-E entitled "Personnel Induction Questionnaire", whether they receive housing assistance or free accommodation from the Organization, a Government or a related institution. Staff members are reminded that they have an obligation under staff rule 1.5 to report any change from the situation reported at the time of recruitment which could affect their status or entitlements.

14. Staff members who report that they receive housing assistance or free accommodation from the Organization, a Government or a related institution will be required to submit additional detailed information on form P.297 (for staff members serving at duty stations in Europe and North America) or form P.297/B (for staff members serving at duty stations outside Europe and North America).

15. When it is determined that a staff member is subject to a rental deduction, deductions will be made in the staff member's salary through the payroll. The staff member is not required to submit an annual reapplication for the deductions.

Computation of rental subsidies and deductions

16. The general regime governing computation of rental subsidies is set out in section 4 of the instruction.

17. A prerequisite for an entitlement to a rental subsidy is that the amount of rent paid by the staff member exceeds the "individual threshold amount", that is, the amount of rent that the staff member is expected to bear without any subsidy. This amount is calculated in accordance with section 4.2 of the instruction by applying to the staff member's income (i.e., the net base salary, including special post allowance, if any, and post adjustment), the rental subsidy threshold percentage at the single or dependency rate, as appropriate, established for the duty station concerned by the International Civil Service Commission. The threshold percentage rates for New York are set out in annex VI to the present circular. Local circulars may be issued at other duty stations setting out the rates applicable at the duty station concerned.

18. The special provisions applicable to the computation of a rental subsidy at duty stations in Europe and North America are set out in section 12 of the instruction. For such duty stations, reasonable maximum rent levels are set by the Secretary-General on the basis of the family size of the staff member and a survey of rent levels in the local market. Levels of reasonable maximum rent for New York are set out in annex VII. Local circulars are issued at other duty stations setting out the reasonable maximum rent levels applicable at the duty station concerned.

19. Sample calculations of rental subsidies and a sample calculation of rental deduction for New York are set out in annex VIII. Sample calculations for rental subsidies and deductions at duty stations outside Europe and North America are set out in annex IX.

20. The present circular supersedes information circular ST/IC/2000/90 of 5 December 2000 and the associated issuances (ST/IC/2000/90/Corr.1 of 27 June 2001, Amend.1 of 12 April 2007 and Add.1 of 12 December 2006).

Staff paid at the dependency rate	28

Annex VII

Reasonable maximum rent levels for New York

Effective 1 April 2007, the revised reasonable maximum rent levels for New York are as follows:

Family size	*Number of bedrooms*	*Rent (United States dollars)*
Staff member alone	1	2 900

Annex VIII

Sample calculations (New York)

Example 1. Staff member is P-3/V (single), newcomer, renting a one-bedroom apartment for US$2,800 per month, including electricity cost. Date of arrival at New York is 16 January 2013. First day of current lease is 1 February 2013.

Rental subsidy calculation:

1.	Total income	US$		**Multiplier**	68.5
	(a) Monthly net base salary (gross less staff assessment)	5121.83	5.	**Reasonable maximum rent level**	2900.00
	(b) Post adjustment	3354.50	6.	Rent for purpose of subsidy calculation (smaller of line 4 or 5)	2770.00
	(c) Special post allowance	0.00	7.	Excess of rent over threshold (Line 6 less line 3)	142.34
	(d) Total	8476.34	8.	Percentage reimbursement %	80.00
2.	**Threshold percentage** %	31.00	9.	Reimbursement amount (line 7 x line 8)/100	113.87
3.	Individual threshold amount (line (Line 1(d) x line 2)/100	2627.66	10.	40% of rent for purpose of subsidy calculation (0.4 x line 6)	1108.00
4.	**Monthly rent** (less electricity cost)	2770.00	11.	**Subsidy** (smaller of line 9 or 10)	113.87
	Exch. Rate Rent, US$	2770.00	12.	Subsidy in local currency	113.87

If line 3 is greater than line 4, STOP. No subsidy payable.

COMMENTS: (1) In this example, payment of rental subsidy commences only as of 15 February 2013, the first day following the end of the period of payment of the DSA portion of the assignment grant, not on the first day of the current lease. (2) A flat amount of US$30 was deducted from the monthly rent to account for the cost of electricity included in it.

Example 2. Staff member is P-2/VI (dependency), newcomer, residing with spouse in a two-bedroom apartment at a monthly rent of US$4800, excluding electricity cost. Date of arrival at New York is 22 April 2013. First day of current lease is 1 July 2013.

Rental subsidy calculation:

1.	Total income	US$		**Multiplier**	68.5
	(a) Monthly net base salary (gross less staff assessment)	4695.58	5.	**Reasonable maximum rent level**	4727.00
	(b) Post adjustment	3075.31	6.	Rent for purpose of subsidy calculation (smaller of line 4 or 5)	4727.00
	(c) Special post allowance	0.00	7.	Excess of rent over threshold (Line 6 less line 3)	2551.15
	(d) Total	7770.89	8.	Percentage reimbursement %	80.00
2.	**Threshold percentage** %	28.00	9.	Reimbursement amount (line 7 x line 8)/100	2040.92
3.	Individual threshold amount (line (Line 1(d) x line 2)/100	2175.85	10.	40% of rent for purpose of subsidy calculation (0.4 x line 6)	1890.80
4.	**Monthly rent** (less electricity cost)	4800.00	11.	**Subsidy** (smaller of line 9 or 10)	1890.80
	Exch. Rate Rent, US$	4800.00	12.	Subsidy in local currency	1890.80

If line 3 is greater than line 4, STOP. No subsidy payable.

COMMENTS: (1) Although the staff member's period of eligibility for subsidy commences on 22 April 2013, subsidy is payable only as of 1 July 2013, the first day of the current lease. (2) The actual rent exceeds the reasonable maximum rent level; thus, the latter is used for the purpose of calculation. (3) The amount of subsidy payable is based on 40 per cent of the reasonable maximum rent level.

Example 3. Rental deduction. Staff member is at the ASG (single) level and receiving free housing from a Government.

Rental deduction calculation:					
1. Total income		US$		**Multiplier**	48.4
(a) Monthly net base salary (gross less staff assessment)		7 491.58	5. **Individual rental deduction threshold amount (64% of line 3)**		1 849.95
(b) Post adjustment		3 625.93	6. Excess of individual rental deduction threshold amount over rent (line 5 less line 4)		1 849.95
(c) Special post allowance		0.00	7. Percentage deduction		80.00
(d) Total		11 117.51	8. **Rental deduction** (line 6 x line 7/100)		1 479.96
2. **Threshold percentage**		26.00	**COMMENTS:** A rental deduction is levied on the staff member because his or her housing cost (virtually zero due to the free housing received from a Government) is substantially below the average rent used in calculating the post adjustment index for the duty station.		
3. Individual threshold amount (line 1(d) x line 2/100)		2 890.55			
4. **Monthly rent** (less electricity cost)		0.00			
Exchange rate	Rent, US$	0.00

11. **Subsidy** (smaller of line 9 or 10)		86.93
12. Subsidy in local currency		86.93

If line 3 is greater than line 4, STOP. No subsidy payable.

COMMENTS: Although the staff member's period of eligibility for rental subsidy commences on 9 September 2000, i.e., the first day following the end of the period of payment of the DSA portion of the assignment grant, the subsidy is payable only as of 1 October 2000, the first day of the current lease.

Example 2. Staff member is FS-5/III (dependency), residing with spouse and two dependent children in a house with a monthly rent of US$1500, exclusive of electricity cost. 11. **Subsidy** (smaller of line 9 or 10)		191.98
12. Subsidy in local currency		191.98

If line 3 is greater than line 4, STOP. No subsidy payable.
COMMENTS: The rental subsidy was calculated based on the amount of reasonable rent recommended by the authorized official in light of the staff member's family status and/or the conditions prevailing in the local housing market.

Example 3. Rental deduction. Staff member is P-2/VIII (dependency) and is receipt of a housing assistance from the Government in the form of subsidized rent. Rent paid by the staff member is US$250 per month exclusive of electricity cost.

7. Percentage deduction		80.00
8. **Rental deduction** (line 7 x line 8)/100		409.97

COMMENTS: A rental deduction is levied on the staff member on account of the fact that the monthly rent is substantially lower than the average rent used in calculating the post adjustment index for the duty station. The authorized official at the duty station has certified the dwelling to be of quality standard.

Example 4. Rental deduction. Staff member is D-1/III (dependency) and receives free housing from the Government.

Rental deduction calculation:
